Dear Mr. Megill:

On behalf of the McLean High School PTSA and the 2011 All Night Graduation Party Committee, we would like to thank you for your recent donation of \$50.00. We appreciate your contribution to benefit the McLean High School 2011 All Night Graduation Party. Graduates from the McLean High School class of 2011 will gather the night of June 16th to celebrate this milestone in their lives. The party will be held at the school, and it takes the combined effort of parents, school staff, and community members like you to make it a success. We can't do it without your generous support.

The party will provide our high school graduates an alcohol- and drug-free environment in which to celebrate one last time as a class. Providing such an alternative is crucial to their safety, as the Virginia Department of Education calls graduation night one of the highest risk nights of a student's life for an alcohol- or drug-related tragedy.

Your generous support will be recognized on signs displayed prominently on the PTSA/ANGP website, at the school the night of the celebration, and in notices sent home with celebrants in their gift bags. **Again, our MHS parents, staff, and students recognize that the success of graduation night is due to your invaluable contribution, and we appreciate your commitment to keeping our community safe.**

Sincerely,

A handwritten signature in black ink that reads 'Lisa Haas'.
